

Privacy Policy for Mine Mark Game

December 19, 2022

Privacy policy

Nils Hegel built the Mine Mark Game as a free app. This service is provided by Nils Hegel at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of personal information if anyone decided to use my service.

If you choose to use my service, then you should know that I **do not collect** any data. The personal information is not collected in any form. I **will not collect, use or share** your information with anyone except as described in this privacy policy.

The terms used in this privacy policy have the same meanings as in our terms and conditions, which are accessible at Mine Mark's website unless otherwise defined in this privacy policy.

Information collection and use

For a better experience, while using our service, I will not require you to provide us with any personally identifiable information. The information is not requested in any form.

Log data

I want to inform you that whenever you use my service, in a case of an error in the app I **do not collect** data and information.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This service does not use these "cookies" explicitly. The app does not use any cookies. The game is built for younger audience, so I am not collecting or using any data or saving any cookies.

Ads

I do not display any ads in the game.

Service Providers

I do not employ third-party companies and individuals.

I want to inform users of this service that third parties do not have access to their personal information.

Security

I value your trust in providing us your personal information, thus we are striving to use commercially acceptable means of protecting it. I am not collecting or sending any information in the app.

Links to Other Sites

This service does not contain any links. It is absolutely free of any links that will lead to any websites. It is an offline game with no requirement for internet connection after being downloaded.

Children's Privacy

I do not collect personally identifiable information from children. I encourage all children to never submit any personally identifiable information through the application and/or services. I encourage parents and legal guardians to monitor their children's internet usage and to help enforce this policy by instructing their children never to provide personally identifiable information through the application and/or services without their permission. If you have reason to believe that a child has provided personally identifiable information to us through the application and/or services, please contact us.

Changes to this privacy policy

I may update our privacy policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new privacy policy on this page.

This policy is effective as of 2022-12-19.

Contact us

If you have any questions or suggestions about my privacy policy, do not hesitate to contact me at contact@minemark.org.
